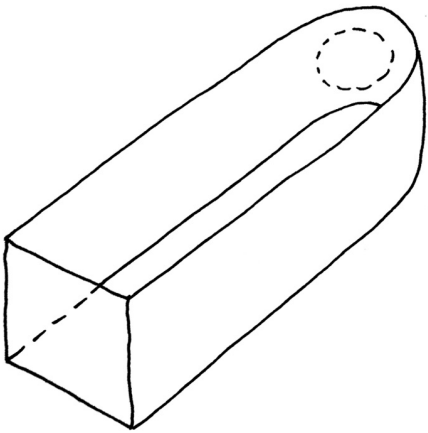
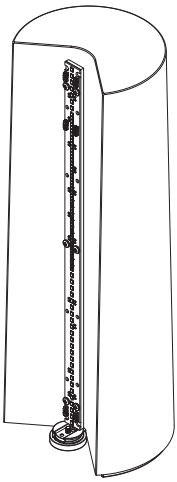
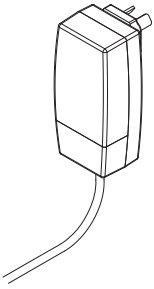
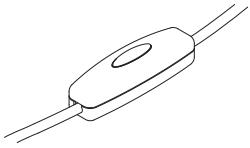
ANTON Series



TABLETON
Installation

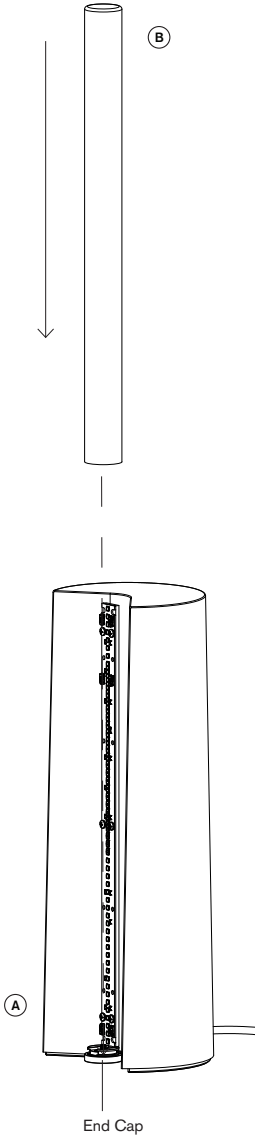




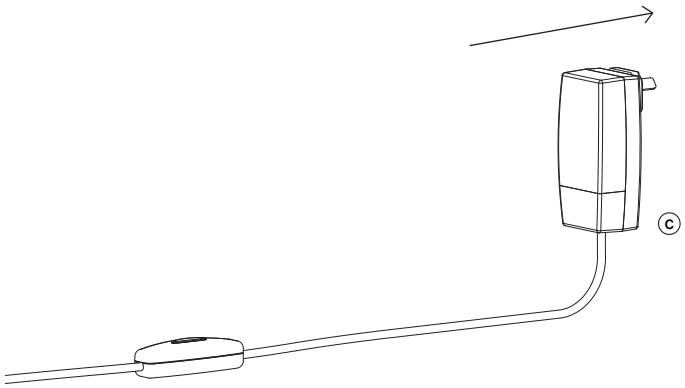


COMPONENTS

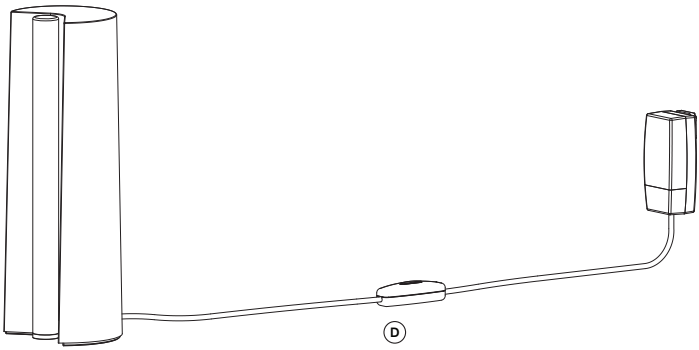
A. Tableton Lamp
B. Glass Surround
C. Power Supply
D. Dimming Switch



Step 1. Insert the Glass Surround Ⓑ over the LED panel on Ⓐ. If you encounter resistence, twist the glass as you apply pressure gently downwards until the glass meets the end cap of Ⓐ



Step 2. Plug ⓒ into wall socket.



Step 3. Test fitting, and enjoy. Hold down button on Ⓓ to change intensity of light.
