Halcyon Door Knob

A knob set in leather woven in a random configuration, so each piece takes its own form. The brass backing plate comes in the three standard brass finishes and can be customised.

HANDMADE

Each piece is cast, carved or forged by hand in V.Brokkr's Melbourne studio. Small variations in form, colour and finish are part of the making, not a fault.

LIVING FINISHES

Brass, bronze and copper develop a natural patina with use. Avoid harsh solvents and abrasives. Care instructions are supplied with every order.

Custom finishes, sizes and back-to-back fixings are available on request. Final specifications are confirmed in your quote.
